Old Town Nativity Play "The Journey"

is a major ecumenical Christmas community project which will tell the story of the birth of Jesus in a colourful, interactive and imaginative way. It will be a transient piece of theatre, taking the audience through the journey as imagined for Joseph and Mary. The colours and feel of the piece will be heavy and rich, using lights and texture to create the sense of a journey taken by many as they head to the census. As we move along, the audience will encounter small vignettes of street theatre to give them a sense of the bigger picture as to how the population felt at this time of great uncertainty and upheaval. We will see conflict and disagreement to reflect the true nature of this gruelling truth as they move towards the final destination. It is intended that this draw parallels with those within our own community today who find themselves, refugees. We anticipate audience numbers being upwards of 2000 per performance, based on the experience of the 2016 Passion Play performed in Wroughton which also had the same director, Anna Friend.

Volunteer for Christmas Care?

All potential volunteers are asked to attend one of our two evening Volunteer Meetings in mid-November, which we have to brief people interested in volunteering with Christmas Care. For Christmas 2018, our volunteer meetings will be at St. Joseph's Catholic College on:

Tuesday 13th November, 7.30pm;
& Wednesday 21st November, 7.30pm.

There is no need to register in order to come to the meeting - just turn up in good time on the evening that you chose to come. You do not need to bring anything with you but we will ask you to complete a simple application form.
